Join the Bipartisan Congressional Peace Corps Caucus

Dear Colleague,

We encourage you to support Peace Corps volunteers in your district and across the world by joining the bipartisan Congressional Peace Corps Caucus.

Since the Peace Corps' establishment in 1961, more than 241,000 American volunteers have served in 143 countries. Peace Corps volunteers are representatives for America in communities where people may have never met an American. The projects volunteers support—from teaching English to advising local businesses to helping farmers increase crop yields—have tremendous and lasting positive impacts on host communities throughout the world. The Peace Corps brings to the world the best that this country has to offer: our citizens.

We encourage you to support current and past Peace Corps volunteers in your district by joining the bipartisan Congressional Peace Corps Caucus. Prior service in the Peace Corp is not necessary.

If you have questions or would like to join the Congressional Peace Corps Caucus, please contact Elle Ekman (elle.ekman@mail.house.gov) in Rep. John Garamendi's office at or Logan De La Barre-Hays (logan.delabarrehays@mail.house.gov) in Rep. Garret Grave's office.

Sincerely,
