

## PLANNED GIVING PROGRAM

National Peace Corps Association's Legacy Fund is an unrestricted endowment that enables NPCA to sustain core initiatives over the long term in response to the needs of our global community. NPCA invests and manages the Legacy Fund to provide long-term growth and flexibility. Legacy of Peace offers an opportunity to support the values and actions of the Peace Corps community beyond your lifetime and ensures the future of the Peace Corps and its growing community through this endowment.

### BEQUESTS

There are several types of bequests that allow you to designate how your estate will be distributed. These include **specific**, **residuary**, and **contingent**.

Sample Specific Bequest:

To plan effectively and maximize the effect of a gift for both you and NPCA, it is advisable that you review your estate plans with an attorney.
