Born in South Bend, Indiana, into a family of eleven, including his loving parents, Matthew learned the value of cooperation early. Throughout his life, Matthew has worked tirelessly in service of his family and his community. Matthew spent two years in the Peace Corps supporting rural agricultural communities in Central America.

Matthew authored multiple publications and studies for improving public policy and services. He has extensive experience navigating local, state, and federal government initiatives.

Matthew brings years of urban and regional planning expertise, working across West Virginia, Virginia, and Washington, D.C.
