Lt. Gov. Sara Rodriguez, MSN, MPH, RN, was sworn in as Wisconsin's 46th Lieutenant Governor on January 3, 2023. She was elected in November 2022 after previously serving in the Wisconsin State Assembly, where she represented a portion of Waukesha and Milwaukee Counties. During her time in the Assembly, she served on the Committees on Health, Insurance, Energy and Utilities, and Science, Technology and Broadband.

Rodriguez has more than 20 years of experience in health care and public health, including leadership roles in health care systems, government, and the private sector. Before entering the State Assembly, she served as Vice President of Population Health and Integrated Care Management at a major Midwestern health care system, where she provided strategic direction for population health programs serving patients and employers.

Earlier in her career, Rodriguez worked in public health at the local, state, and federal levels. Her experience includes serving as an Epidemic Intelligence Service Officer with the Centers for Disease Control and Prevention, Chronic Disease Director for the State of Colorado, a health care systems consultant, and a vice president at a Fortune 100 company. She also founded and operated her own small business.

A graduate of Brookfield East High School, Rodriguez earned master's degrees in public health and nursing from Johns Hopkins University. She is a returned Peace Corps Volunteer and has also served her community as a Girl Scout troop leader.
